The Masters in Naturopathy and Holistic Medicine programme, including all graduation requirements, must be completed within a maximum of two (2) years of matriculation, but is usually completed within one (1) year.

Each trimester is 12 weeks. There is a total of 45 U.S. Credits to completion, covering 675 clock hours of study. Cost per credit hour is €130.

The degree will be awarded by the School of Integrative and Complementary Medicine, University of America, USA.

Course start date: Immediately, as soon as the Course Evaluation is agreed to.

Payment: Pay as you go – you simply pay for the courses that you take. There is also an instalment plan to ease the costs over time

- see <https://www.collegenaturalmedicine.com/admission-and-fees/course-fees-4/>

Clinical Practicum: Clinical training in all these modalities is a requirement and this is presently being held at the Da Vinci Holistic Health Centre in Larnaca, Cyprus
see - www.naturaltherapycenter.com

If other similar Holistic Centres are present in your own country, then this would also be a possibility after an evaluation of what they offer. It is envisaged that there will be one intensive week or 50 hours of clinical training for Master's students at the Da Vinci Center. Clocking further hours at other Naturopathic Centers in other countries is highly encouraged.

Assignments and Exams: Assignments and exams are usually on-line and timed –
The pass mark for most courses is 60% – 85% earns a distinction.

Course Completion and Final Award: The Masters in Naturopathy and Holistic Medicine (M.N. HM) will be awarded when all the courses have been finalized, including the Master's Thesis.

The degree will be issued by the School of Integrative and Complementary Medicine
University of America, USA

Application Fee: Upon acceptance, after returning this Enrolment Agreement, there is a €200 (Euros) Application Fee to be paid to the Da Vinci Institute of Holistic Medicine.
